

The Portage District Library's Favorite Authors Club Large Print will automatically place a hold for you. Simply indicate your choice of up to 10 authors from the list and we will email you when your item is available. This program covers only large print fiction materials by the authors listed on this form and is not available to Reciprocal borrowers. Most Large Print books are published a month after the regular print book.

Your name will be placed on all titles by an author except non-fiction or only paperback published books. Please inform us when you are not interested and we will pass the book on to the next person.

How to join:

1. Fill out your contact information on this form.
2. Select no more than 10 authors and place an X by their names.
3. Return the form to the Adult Information Desk.
