The elimination of this revenue would greatly cut funding for State, County, City, schools, library, and other public government services.

## VII. Heritage Room Presentation by Local Historian Steve Rossio

Local Historian Steve Rossio thanked trustees for the opportunity to share the cumulation of a three year project he has been working on with local history teachers. In the past, teachers had the opportunity to bring in World War II veterans to talk about their first-hand experiences. Unfortunately, with the passing of time, World War II veterans still living are in their 90's or older.

Rossio recalled that one of the things that drew him into history was going through his grandparents cedar chest and having the ability to hold history in his hands. In the absence of first hand accounts, Rossio decided to create a physical collection of World War II items. The criteria developed for the items to go in an original footlocker used by GI's in WWII was that everything had to be original to WW2, universal representation including all branches of service, as well as items that reflected the home front, women, and minorities. He also wanted to make sure what he created could grow or be adjusted. The trunk contains artifacts which each have their own information card as well as a teacher's guide. Portage and Schoolcraft teachers can call Local Historian Steve Rossio to request to use it. Teachers have also expressed an interest in trunks to represent other historical events.

## IX. Library Director's Reports

### A. Final remarks by Library Director for the December 11, 2023 Library Board Meeting.

Library Director Klien said she wanted trustees to be aware that our library app is currently down. The companies that provided the service shut down the app without notice. We have been working with Communico for our new events calendar. They have an app that we have decided to move forward with. Marketing Manager Colin Whitehurst, Digital User Experience Coordinator Jill Austin, and Systems Administrator Rolfe Behrje were thanked for getting information together for the app transition quickly.

Klien prepared the Board for a January 2024 discussion about the virtual component of the Library Board Meetings. Currently, Kalamazoo Public Library Board and Portage City Council allow online public comment. Portage Public School Board has a different process – public comments must be made in person.

Klien said that in the past it was recommended by the library attorney to consider continuing virtual option for attending and viewing monthly meetings, but no online public comments. Klien said she would confirm with library attorney that this is still her position and bring it back for a vote next month.

Klien said library staff will be bringing the Room Rental price adjustment recommendations to the Board in January 2024.

## X. Library Personnel

### A. Personnel Committee's recommendation for Library Director's compensation in 2024 and Renewal of Library Director 3 Year Contract. (Vote) Pg.61

Board Chair Vance said the Personnel Committee met on December 2nd. This year's committee included Trustee Jeanne Friedman and Trustee Donna VanderVries. Vance said that when the evaluations were reviewed, all seven trustees gave an outstanding of review of Library Director Christy Klien. The Personnel Committee made their decision based on the unanimous positive feedback from all trustees. They recommend a Library Director Salary increase of 3% and a bonus of \$1,500. They would also like to renew Klien's three year contract to five years. Trustee Friedman said she hoped this gives Klien an idea of how much the Board appreciates you and has confidence in your leadership and ability.

**MOTION:** It was moved by Trustee Terry and supported by Trustee Whitlock that the Library Board approve the recommendation from the Personnel Committee of a Library Director Salary increase of 3%, a \$1,500 bonus, and a 5 year contract renewal. Vote 6-Yes, 0-No, 1-Absent (Baker). Motion carried.

### B. 2023 Year End Discussion Regarding Library Staff Performance Recognition. (Vote)

Library Director Klien began the discussion with trustees about Library Staff Performance Recognition. She said that everything trustees commented about her for her evaluation and the success of the library comes from the staff who are the backbone of the library. She recommended that Board approve performance bonus in an amount not to exceed \$40,000. Trustees acknowledged the library staff's hard work and performance this year. They agreed the library should issue performance bonuses in recognition of the staff's work toward the library's strategic goals and general library service.

## January 2024

### Adult Services

Adult Librarian [Ruth Cowles](#) hosted over one hundred and fifty patrons of all ages getting into the holiday spirit for our Pre-Traditional Holiday Celebration. Scheduled to coincide with the Portage City Traditional Holiday and Tree Lighting Celebration on December 2nd, the library provided live music and a hot chocolate and coffee bar. Starting at 12:30 PM, pianist Jeff Dallavalle performed traditional holiday music. Then, at 1:30 PM, Eric Cowles continued the celebration with tunes on his fiddle incorporating holiday music from around the world. Last to play at 2:30 PM, Dawn Garrett relaxed everyone while enjoying her soothing clarinet.

Outreach Librarian [Sara Weyenberg](#) hosted Purl for Portage for 13 attendees on December 19th. 71 items have been donated and over 200 given away. We received a note from a staff member with regards to this program: "I just wanted to let you know of something pretty cool that happened last night at the checkout desk. Someone came in asking if we had a lost and found not because they'd lost something, but because they needed a scarf. I said great news, friend. . . turn around! Look at that coat rack with brand new hats and gloves and scarves all lovingly created by our library community! The patron was able to grab a new scarf and a new hat before going back out into last night's bitter cold and it really reinforced that what you guys do is really cool."

[Jane Fleming](#), STEM Librarian, taught 18 participants how to make a Holiday Card Keeper on December 5th, 13th, and 18th. This program let patrons personalize a wooden card keeper so they could keep holiday cards all together organized in one place. Patrons were able to personalize their card keepers with a number of designs to work from. The card keepers were pre-cut so participants could focus on the engraving.

## Youth Services

Youth Staff [Annette Wendt](#) created a “Disguise the Gingerbread Man” activity, which allowed participants to disguise their paper gingerbread man to avoid being nibbled on. These were then displayed at the library or taken home.

Based on this year’s programming attendance and feedback, end-year spending focused on enhancing items for Baby/Toddler storytime and passive programming, two areas where patrons have expressed interest in more or other offerings.

Youth Staff [Kristy Zeluff](#) visited the Child Development class at Portage Central High School and did a presentation about successfully sharing books with young children.

Youth Staff [Kristy Zeluff](#) was able to visit all six of the Head Start and Great Start Readiness preschool classrooms for the first time, and many of the children remembered the songs and games from previous visits. At least two children have visited the library and brought their caregivers to the desk to say hello to me, and it seems clear that they feel welcome and connected.

Juvenile and Preschool displays in December focused on our popular seasonal offerings.

A highlight in the Teen Room was the naming contest for the new Teen Room goose. This is one of several engagement pieces in the Teen Room, which has become a popular draw.

Teen Room displays for December included Cooking & Baking, Cozy Winter Reads, and a display about geese (in conjunction with a naming contest for the new Teen Room mascot).

Teens had a wonderful time building confectionery creations of questionable structural integrity at Teen Candy Cottages, hosted by Teen Services Librarian Olivia Pennebaker and Youth Services Assistant Karina Gluys.

This year’s Family Candy Cottages event was enhanced by a seasonal story read by [Steve Rossio](#) and [Kristy Zeluff](#). The addition of stories to evening events this year has been a wonderful enhancement for families.

## Circulation and Technical Services

Over the month of December, we had 459 students use their PASS cards. We sent 1398 SMS messages regarding bills, overdue materials, and membership renewals. Technical Services also completed adhering series labels to the spines of the Speculative Fiction collection.

From an email from MeL (Michigan eLibrary) Minute: MeLCat: a Year in Review

A huge thank you to all the libraries and library staff who helped continue to make MeLCat successful in 2023! More than 1 million items were requested by patrons throughout the state of Michigan. January 2023 was the busiest month, with patrons placing a whopping 103,743 MeLCat requests! Altogether in 2023, more than 970,000 items were loaned out to patrons all over Michigan.

## Personnel

The Library completed interviews with candidates for the two (2) open Library Assistant positions and made offers to two candidates. Those offers were accepted and the Library completed the due diligence portion of the hiring process and has successfully completed the on boarding with one candidate, [Michelle Kessen](#). The second hire, [Jenna McQuade](#), will be entering the on boarding process and will start work with the Library in the second half of January. The HR team updated employee files for all year-end changes. These changes include benefit deduction amounts and pay changes and notifications to all employees. The Library Director and Business Manager have reviewed the Employee Handbook with the Library's attorney, and all changes will be completed by January 31, 2024, and released to staff. The Business Services team completed all necessary functions to get the Library's new coffee maker available for vending for patrons. The Business Manager has completed all necessary steps to submit the 2024-2025 Building Insurance Renewal to its provider. Final approval has occurred, and the renewal will be received approximately February 1, 2024.

## Maintenance & Building Services

Building services involved pest control treatment, commercially deep cleaned all restrooms, professionally cleaned all LVT flooring, monitored winter snow removal services, replaced damaged handicap parking sign and post, received Consumers Energy rebate for boiler maintenance, Preschool egress shelter glass was properly glazed, electrician isolated faulty ceiling light and completed the HVAC operation for 2024.

## IT Department

The Portage District Library continues in its replacement of staff workstations as a part of its normal technology refresh schedules. As a part of this refresh cycle, the library has added workstations/laptops to shared desks for part time staff.

The library is continuing its efforts to strengthen its network security and security awareness through efforts in multifactor authentication, Microsoft's Secure Score recommendations and best practices, reviewing its firewall configurations, Umbrella configuration and Malware protection.

The library IT Department is working with Aunalytics and Sophos to identify an issue with its firewall that causing service interruptions on its staff network.

The IT Department is actively working with Communico and library staff on getting our Library Mobile App replacement to production use. While the library is working as quickly as possible, the library will not sacrifice usability and reliability of the app before delivering it to our patrons.

# Spotlight On: Angel Tree

Every holiday season, the Salvation Army helps to provide joy to many underprivileged children in the area. They will collect information on children in need, and then pass along the information to the Angel Tree donation sites. The Portage District Library has been a donation site for many years. Every November, we will receive tags that contain information on gifts to buy for certain-aged children. These tags then go on our Christmas tree in the building and members of the community can then fulfill the wish list items.

Assistant Circulation Supervisor [Chelsea Axtell](#) has been our person of contact for the Angel Tree since 2022. This year, she requested 250 tags from the Salvation Army. Our first grouping of fifty tags was delivered and placed on the tree during the first week of November. Within just a few days, we had to request another 100 tags! After another few days, we had to request another 100 tags! By the time the donations were taken down to Salvation Army, 233 of the 250 tags were taken from our location.

At the end of the donation period on December 11, 2023, our community members had donated around 305 toys, 31 gift cards, and 30 books! All of these items were then packed up Tetris-style in Head of Circulation and Technical Services [Abby Pylar](#)'s van and taken down to the Salvation Army donation center. It is truly amazing to see how involved the community gets with this service, and it is a blessing to be able to provide this offering to our patrons.

## MLA Bill Tracker

Each year, the MLA membership has the opportunity to choose priority issues that directly affect Michigan libraries. MLA then works with the Michigan Legislature to move these issues through the legislative process. The MLA Bill Tracker is updated monthly by the MLA Advocacy and Legislative Committee to inform our members of the Senate and House bills MLA is watching and addressing, our position if any, and actions that we are taking to support or oppose the legislation.

The MLA Bill Tracker can be found here: <http://www.milibraries.org/bill-tracker>

## “Think Big” a Note from Debbie

Debbie Mikula, MLA Executive Director - December 21, 2023

MLA is a little organization. Not in terms of our mission, but in terms of our size. With only five staff members and a budget normally under \$1M, we are considered small in the nonprofit and association world. And while we may be small, we are MIGHTY, and, we THINK BIG!

Where do we get inspiration to be mighty? Rather than viewing resource constraints (like our budget and staff size) as limitations, small organizations like MLA find our strength in articulating our entrepreneurial spirit. MLA thrives on innovation, on instituting creative ideas, on listening to the needs of our members, on knowing our own limited capacity and taking calculated risks. Big thinking often involves stepping out of our comfort zone.

MLA actually draws inspiration from all sorts of organizations, especially larger organizations to achieve our goals. For us, the key to “thinking big” lies not in mimicking larger organizations but in molding and shaping many of their successful programs into our unique, small organization. We look for cost-effective ways to implement those big ideas without compromising the end result. We are resourceful, finding ways to do more with less and we innovate out of necessity – you can too. Those big organizations, or big libraries, that share big ideas at conferences are always worthwhile to listen to. And while it may not all resonate, if we listen closely, there are always, always, always bits and pieces that can be creatively implemented by smaller organizations. And many times, we will do it better.

I say constantly that the MLA staff can think of a project at five in the morning and by the time we are done drinking our coffee, we are already implementing it. We turn on a dime and embrace our flexibility, making quick adjustments to institute informed decisions. I like to say that MLA sets “Big Hairy Audacious” goals – we don’t limit ourselves to small, easily attainable objectives, we set goals that challenge us and push our limits.

Like many of you who run small libraries, as a small organization MLA needs to stand out in a crowded nonprofit field and we have embraced larger organizations’ branding and marketing strategies. We have invested in building a well-defined brand, utilized social media effectively, built a robust and easily navigable website, and along the way created compelling content. We have a great story to tell about our libraries, and we know that a compelling narrative can inspire support and collaboration. We need to get through the highly competitive media “white noise” that is created by all those larger institutions and find our unique place to shine and be relevant.

# MLA ADVOCACY NEWS

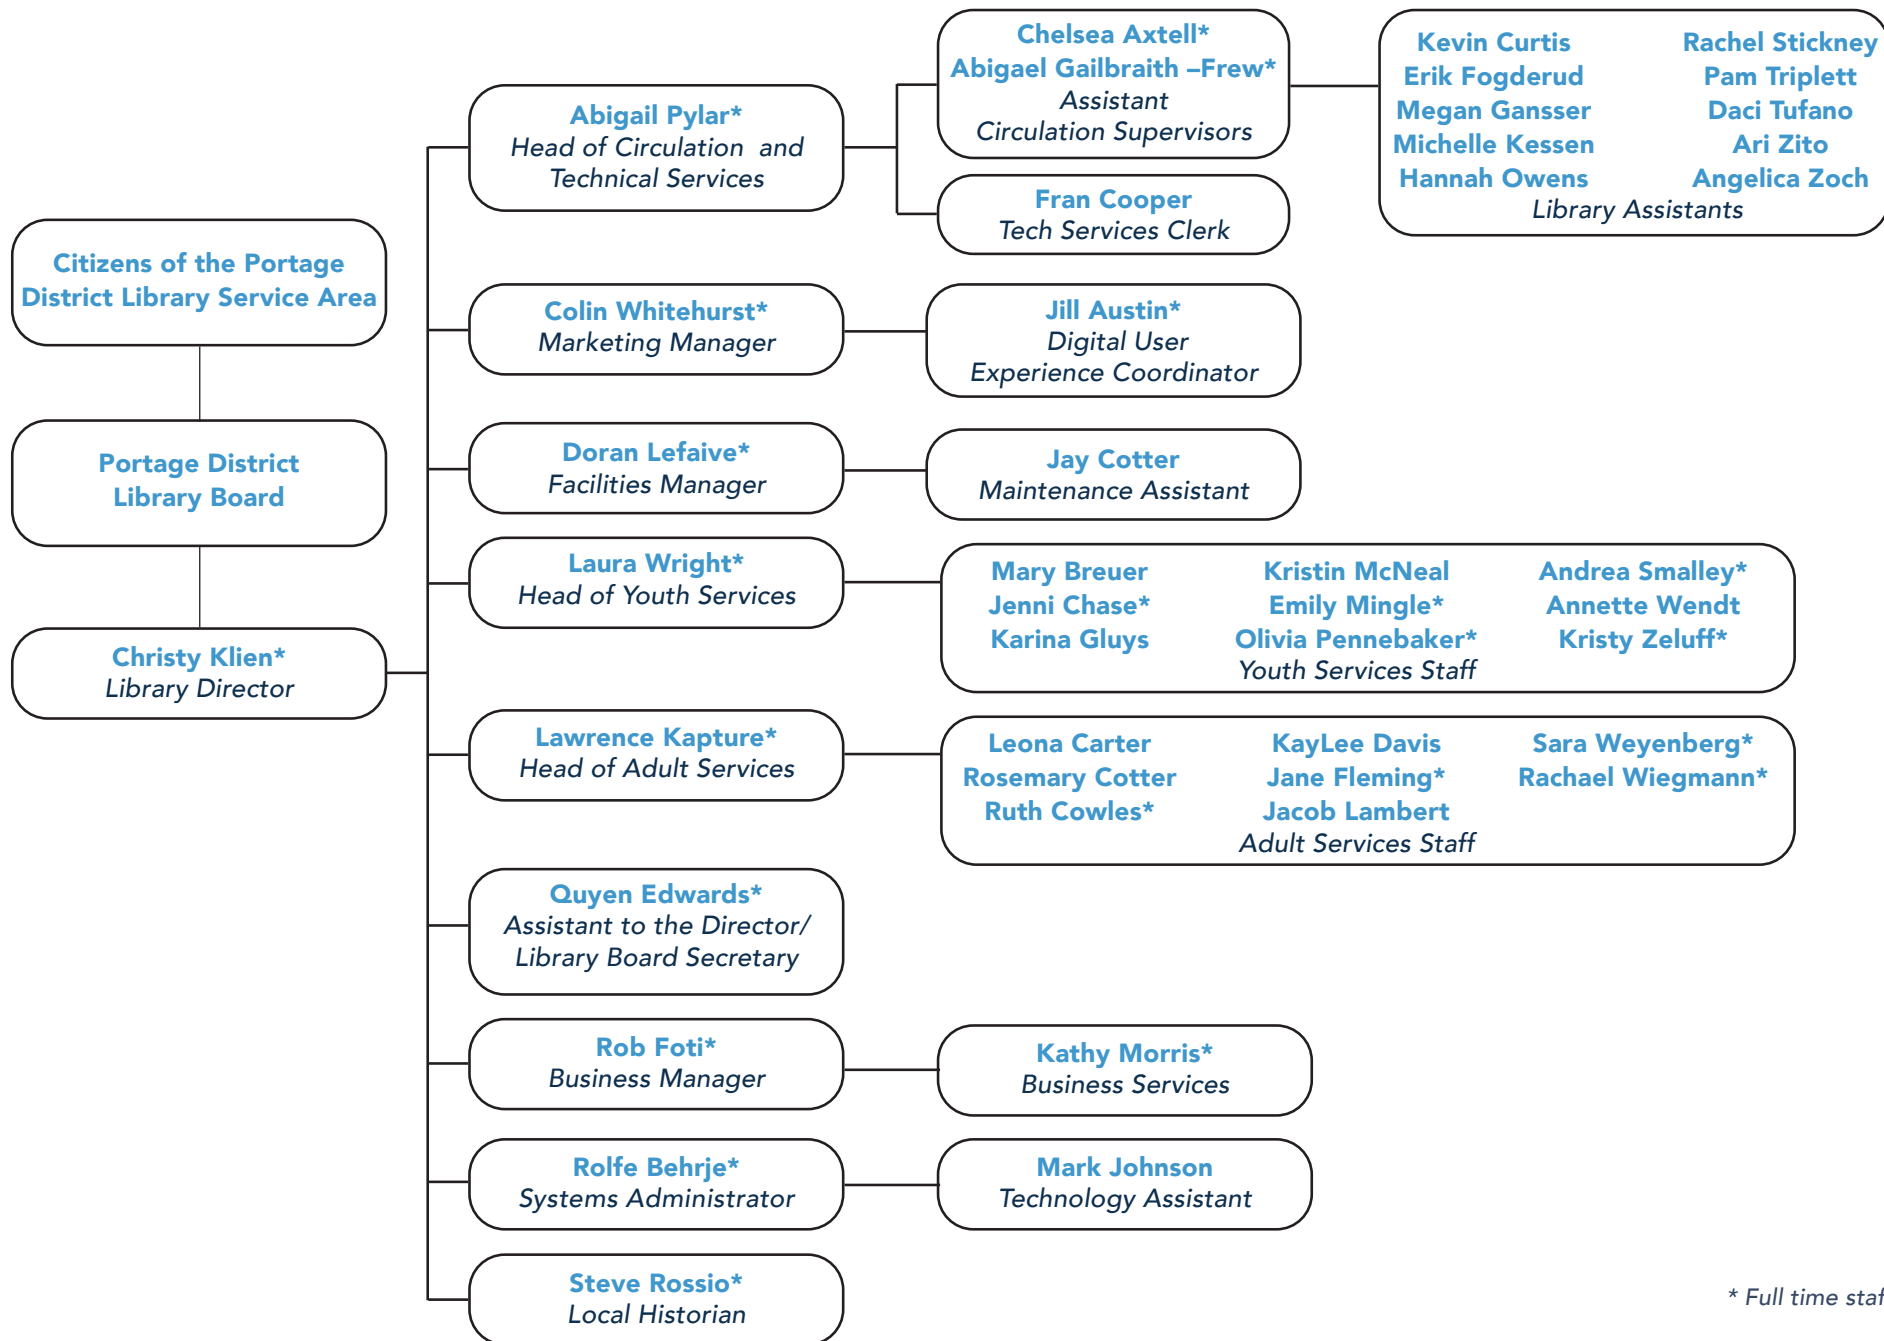

Small organizations like MLA excel in building close relationships with our members, or in your case, your library patrons. We treat them like family, we know them personally, we have a deep understanding of their needs, we solicit feedback from them and involve them in developing new programs and services. In addition, the entire MLA staff wears multiple hats and knows the inner workings of this organization, they are engaged in decision-making processes and encouraged to offer their input on big ideas – there is very little that isn't shared at our weekly staff meetings.

While sometimes it is good to be in the same room with the same size organizations, MLA finds "gold" in connecting with larger organizations who have achieved significant success not just in the library world but in others as well. We take time to learn from their experiences and build networks that support and encourage big thinking. We are a "curious" staff, and each and every one of us is committed to lifelong learning. In this fast-paced, ever-changing world, staying status quo isn't an option.

Being small isn't in our vocabulary and it shouldn't be in yours either – be bold, be confident, be creative, be persistent, and don't be afraid to dream beyond the conventional boundaries. THINK BIG!

## MiDEAL Extended Purchasing Program Renewal

**To:** Portage District Library Board  
**From:** Christy Klien, Library Director  
**Date:** January 13, 2024

### Background

The Portage District Library joined the State-Wide MiDEAL program in 2022 and has used this program for purchasing copiers and computers in the past. This program is the State of Michigan's extended purchasing program that allows Michigan cities, townships, villages, counties, school districts, universities, colleges and nonprofit hospitals to buy goods and services from state contracts. The program is authorized by Michigan Legislation and has been in existence since 1984. Members benefit directly from the reduced cost of goods and services and indirectly by eliminating the time needed to process bids. There are approximately 500 contracts available to MiDEAL members.

The library can benefit from this program on their purchasing of furniture, technology, various supplies and services. The library would like to renew this service and use these contracts to acquire goods.

### Recommendation

I recommend the Portage District Library continues to use these contracts in lieu of competitive bids where applicable.

## Discussion about Continuation of Hybrid Board Meetings

**To:** Portage District Library Board  
**From:** Christy Klien, Library Director  
**Date:** January 15, 2024

### Background

At the December board meeting, Library Director Klien and trustees began a discussion about the virtual component of the Library Board Meetings. Trustees understood that other community boards may have different processes in place regarding public comments. Some Boards are still allowing public comment virtually, while others have determined public comments must be made in person. Library Director Klien had a discussion with Library Attorney Anne Seurnyck on her position on this topic on Thursday, January 4th and will bring her comments to the January 22, 2024 meeting.

### Update

Discussion about Continuation of Hybrid Board Meetings has been placed as an item under Governance on the agenda for the January 22, 2024 board meeting.

## Discussion about Guests to be Invited to Library Board Meetings in 2024

**To:** Portage District Library Board  
**From:** Christy Klien, Library Director  
**Date:** January 17, 2024

### Background

At the beginning of each year, it has been the practice of the Library Board to consider guests to be invited to board meetings throughout the year or presentations to be heard that would be beneficial. This will be a topic for discussion on the agenda for the board meeting on January 22, 2024. In the past few years, we have had the library's attorney Anne Seurnyck, Portage Mayor Patricia Randall, Strategic Planning Facilitator Amanda Standerfer, and City Manager Patrick McGinnis.

### Note

There are (11) board meetings held in a year (there is no meeting in November) and some of the board meetings have standard presentations as indicated on the Library Board's 2024 Annual Calendar. In March it is the Marketing Plan; in May it is an Auditor's Report; in June it is the budget presentation; in July it is the 3-Year Technology Plan; in August we hold a Public Hearing for the follow year's budget. It is realistic to plan for 1-2 external guest presentations for the year.

## Community Meeting Room Policy

**To:** Portage District Library Board  
**From:** Christy Klien, Library Director  
**Date:** January 16, 2024

At the January 22, 2024, Portage District Library Board meeting, Library trustees will be reviewing the Community Meeting Room Policy. As part of the review, I would like to discuss our Community Meeting rental fees and the library's philosophy for the room rental service.

# Community Meeting Rooms Policy

The mission of the Portage District Library ("Library") is to provide quality Library services that support the cultural, educational and informational needs and interests of the community. In keeping with this mission, the Library provides community meeting rooms for Library programs as well as Library business meetings. When the community meeting rooms are not scheduled for Library- sponsored or co-sponsored events, they may be used by the public within the parameters set by the Policy. The community meeting rooms are intended to host organized meetings and are not available for private, party-type functions such as birthday parties and showers. The restrictions of this Policy regarding Application and Scheduling do not apply to Library-sponsored or co-sponsored events. The regulations in the policy apply to all community meeting rooms unless otherwise specified.

## I. Reserving, Scheduling and Rental Charges of the Library's Community Meeting Rooms:

- A. Community meeting rooms may be reserved by any person, group or organization.
- B. Library use of community meeting rooms takes precedence over all other uses. If the Library should find it necessary to cancel a scheduled activity in a community meeting room, then the Library Staff person in charge of room reservations will notify the User that booked that room that other arrangements must be made. A full refund of the room fee will be issued to the User. The Library shall not be responsible for any loss, damage or other claim based on the cancellation.
- C. Reservation Process.
  - 1. Any person 18 years or older may request to reserve the community meeting rooms by contacting our Meeting Room Coordinator. If the person is requesting the room for a corporation or organization, that person must have authority to do so.
  - 2. If you need to cancel the reservation, the User must provide the Library 24 hours' notice.
  - 3. At the time of room use, the User must sign a community meeting room Application that includes Waiver of Liability prepared by the Library. The Library is released and held harmless from any and all claims for personal injury, property damage or other claims as a result of the use or application to use the community meeting room.

This ratio may be altered by the Library Director depending on the age of the minors.

\* Please Note: Effect on Fund Balance represents the Effect that the current period has on the overall cash position of the Library. This does not represent any individual expense line.

\* Fund Equity is defined as the excess of fund assets and resources over fund liabilities. The Fund Balance is the Fund Equity minus any reserves.

**Property Taxes** - Property Tax collections are on pace for this time of year. The Library has collected slightly more than its budgeted revenue for the year. The Library will continue to collect delinquent Personal Property Taxes as they are paid in the current year and additional years. Chargebacks for property tax appeals to the City of Portage and County of Kalamazoo are budgeted at \$12,500 and have only been \$231 for the year. This amount will increase as the year goes on, but has been under budget in prior years. The Library will begin collecting FY2024 tax revenue in December.

**State Aid Revenue** - The Library has received all of its State Aid Revenue for the year. The Library has received its distribution from the Local Community Stabilization Fund for eliminated personal property tax in an amount that was approximately \$16,700 under budget. State Aid to Libraries from the State of Michigan was \$57,096 for the year. This amount is approximately \$22,000 more than its budget.

**Revenue from Reserves** - This category is used to track the inflow of funds from the various Reserve accounts, as well as from Unassigned Fund Balance. As part of the Library's FY2023 budget, the library will maintain 13% of its budget in its General Reserve. In doing so, the General Reserve from the prior year will be increased by \$30,633 in FY2023. Funds have been added to the FY2023 budget for the following items: prior year encumbrances (\$1,160,056); donations received in FY2022 (\$31,575); and unspent creation station funds from FY2022 in the amount of \$11,607.

**Other Revenue** - Other Revenue is significantly ahead of pace for this time of year. Interest income will be collected throughout the year as interest is earned. As interest rates have risen over the last two years, the Library has reinvested funds at a much greater rate of return. Interest income is approximately \$213,000 greater than its budgeted amount for the year. As more investments mature they will be reinvested at high rates and the Library will try to extend out its extra funds further into the future to capitalize on high rates as long as it can. Fines and Fees are slightly ahead of pace. The Library does not budget for donations, but instead chooses to request budget amendments when they are received and needed for use. The Library has received approximately \$31,405 of donations and grants to date. Penal Fines were budgeted at \$50,000, and \$59,961 was received. The Library received a distribution from the Michigan Municipal Risk Management Authority (MMRMA) for building insurance premiums in the amount of approximately \$18,000.

**Other Financing Sources/Uses** - The Library pays its debt obligation out of its Debt Service Fund, and not the General Fund that is used for the vast majority of Library activity. Therefore, this line represents a transfer of funds from the General Fund to the Debt Service Fund to service the debt payment. Debt payments are due on May 1 and November 1. The May 1st debt payment was made by ACH on April 24, 2023 and the November 1, 2023 payment has been scheduled to be paid with 5/3 Bank on October 25, 2023 by ACH.

**Salaries & Wages** - Salaries & Wages are slightly below pace for this time of year. The Library is close to fully staffed, but does currently has 2 part-time position open in the Circulation Department. All full-time positions are filled

**Fringes & Benefits** - Fringes & Benefits are less than 75% expended as of September 30, 2023. This is due to four (4) employees opting out of the Library's insurance plan and picking up a spouse's insurance plan. Based on this scenario, there should be a surplus of funds at the end of the year.

**Library Materials** - This category is slightly below pace for this time of year. The large amount of encumbrances from the prior year have predominantly been filled. Additionally, order of Youth material slows down during the summer months when the Library's Summer Reading program is taking place. Ordering will pick up in the 4th qtr. and the majority of funds will be expended or encumbered by year-end.

**Utilities** - Utilities are under budget for this time of year. Gas & Electric comprises the largest expenditure line in this category and expenditures have been below budget. At the time of preparing the FY2023 budget, the Library was unsure of the extent new energy efficient equipment would have on gas & electric usage. So far, gas & electric expenditures are trending much lower than expected. This category should be under budget at year-end.

**Building** - Year-to-date actual and encumbrances are slightly less than the 75% target. All projected costs for contracted services, snow removal and library grounds projects and contracts are on pace with anticipated costs. The Library has several building projects that are either being completed or being scheduled to be completed at this time. The majority of funds in this category should be expended or encumbered by year-end.

**Furnishings & Equipment** - The funds in this category are from FY2022 encumbrances and are designated for specific projects. These projects should be completed by the end of the fiscal year.

**Supplies** - The supply category is significantly below of the 75% target for this time of year. The majority of accounts in this category are used on an as needed basis. The library has tried to adopt a very conservative approach to it spending for lines such as supplies. Postage, Heritage Room Supplies and Repair and Maintenance Supplies are all significantly below budget at this time of year. It is anticipated that not all of these funds will be spent by year-end.

**Professional Services** - This category is slightly higher than the 75% target for several reason. The Library has several projects that it is in the midst of completion. These include Phase II of the salary study, employee handbook review, 2023 fundraising appeal, and employee training through our legal advisors. It is anticipated that the majority of these funds will be spent by year-end.

**Other Charges** - This category is below budget for this time of year. Lines in this category include programming, training and maintenance and support for the various hardware and software located throughout the Library. The Library is working on a training calendar for FY2024 and some of the unused training funds will be encumbered to fund those efforts in the subsequent year. There are several annual maintenance contracts that will renew near year and funds will be expended for their use.

**Capital Projects** - This category is significantly under pace for this time of year. The Library's renovation project is substantially done and the Library is analyzing furniture needed, as funds originally planned for these purchases were cut from the budget during construction. Orders will be placed for these purchases by year-end. The Library will make its debt payments in October, however this is the smaller payment of the two each year. Lastly, the Library will work to complete all of it technology projects for the year. These are typically completed in the 4th qtr. of the year and are typically significant in value.

Following feedback from the end of year evaluation received from the Library Board, the Library Directors Goals for 2024 are as follows:

Goal 2: Refine the plan for staff satisfaction and retention.

Goal 3: Strengthen the community through engagement.

# STRATEGIC PLAN 2023-2026

FOURTH QUARTER UPDATE 2023

# Strengthening the Community

*We facilitate community members learning, creating, and bridging divides.*

**GOAL 1: Enrich the lives of community members by providing innovative and ample outlets for expressing creativity.**

### Activities:

#### 1.1.1 Invest in cutting edge technology in the Makerspace, Creation Station, and Library of Things service areas to provide learning opportunities for patrons.

**The** MakerSpace was very busy during the month of October with patrons coming in to make costumes and other things for Halloween. December was a VERY busy month in the Makerspace. We had so many people come in who wanted to make Christmas gifts. A lot of Jane's time in the month of December was devoted to one-on-ones with patrons. I had at least 17 one-on-one sessions during the month of December alone. We had a number of people who came in to use the equipment in the Makerspace to make decorations for the Christmas trees in Celery Flats.

**STEAM** Librarian Jane Fleming received positive feedback from patron Joyce Stommen, who she helped with a task using Photoshop during the month of December. "Hi Jane, My coloring sheets were a big hit with my grandkids, ages 16-25! I gave them colored pencils in their stockings and they all started coloring after gift exchange on Christmas Day. Sharing these screen grabs from video because I want you to know how much your help meant to me; the time and effort you put in to recalling the steps! You can't hear how many times they said, "so cool" and "these are awesome," Thanks again for making our Christmas so fun!

**STEAM** Librarian Jane Fleming has observed, in general, that more people are using Adobe Creative Cloud in the Creation Station. We have one patron who is coming in three or four times a week and using LinkedIn Learning to help .

**Three** new Creative Kits, a Printing Kit, Card Making Kit, and Creating Mandallas Kit, a 3-inch button, and a hat press were added to the maker space. In addition, we added new software: Wondershare DVD Creator. STEAM Librarian Jane Fleming added a second 3D Pen Kit, due to its popularity.

#### 1.1.2 Create opportunities for patrons' creative work to be displayed and highlighted at the library.

**In** November, we had artist Mel Luna in the Cafe Gallery. Mel Luna is an illustrator, ink maker, calligrapher, mail artist, puppeteer, filmmaker, performer and native plant enthusiast who uses dichotomous materials – such as foraged wild plant and mineral pigments next to fluorescent synthetic paints.

**In** December, we began our annual show of Portage Public School students, in media ranging from paint to jewelry.

**Youth** Services Assistant Karina Gluys hosted two sessions of Teen Community Art: Geometric Mural, where teens created pieces for a geometric mural displayed in the Teen Room. Afterwards, teens had the opportunity to continue adding to the mural using supplies from the Teen Passive Programming Station.

**Based** on the popularity of her youth focused "Would You Rather" weekly question, Youth Services Assistant Kristin McNeal now creates an adult version each week, which has been well received.

**This** Fall, families contributed to a Cardboard City which was then on display for visitors. This was done with the help of our Portage Northern Book Buddies. This was the most involved patron-centered display project we have planned, and it was successful. We plan to continue this type of programming.

## **GOAL 2: Build and expand vibrant partner plans with organizations working towards aligned goals.**

### **Activities:**

#### **1.2.1 Partner with community organizations to host programming.**

**On** October 15th, We drew up to 865 Attendees to Geek Fest. As a single library, we don't have the resources to put on a convention, but with the help of other libraries we have given our shared patron base the experience of a convention style event. Held in cooperation with the Kalamazoo, Vicksburg, and Paw Paw Libraries, Geek Fest also collaborates with many community sponsors, including two robotics groups, four local businesses, 9 local creators, the Herrick District Library, and the Kalamazoo Valley Museum. The Black Arts and Cultural Center was excited to present original comic books created by the students in their Comic Creators program, a program designed to give youth ages 7 to 11 the space to create their very own comic book from start to finish. Six PDL staff participated, including Ruth Cowles, who oversaw volunteers, Steve Rossio, who ran a cosplay photobooth, and Daci Tufano from the circulation department who also won a title in the Cosplay Contest with her display of PDL Attitude. Christina Doane, a former staff member, again ran the gaming room as a volunteer. Andrea Smalley ran an extremely popular craft table making foam weapons out of pool noodles. We made approximately 240 LARP swords and lightsabers! Jane Fleming ran the PDL sublimation printer for the entire four hours she was there, with a constant line. She created 122 Tumblers, Mugs, Coasters and Key Chains. for patrons.

#### **1.2.2 Consult with existing and potential community partners about effective ways to meet community needs.**

**Outreach** Librarian Andrea Smalley consulted with members of the Haenicke Institute to expand the World Language Collection's offerings in Korean and Japanese. She also worked with a community member whose first language is Gujarati to expand this part of the collection. A note: On the day these books were processed, a patron requested items in Gujarati and was pleased that we offered them here.

## **GOAL 3: Implement targeted community engagement campaigns and create routine feedback opportunities for patrons.**

### **Activities:**

#### **1.3.1 Prioritize directions for outreach including staff connections and community interest.**

**Outreach** Librarian Andrea Smalley had her first meeting of her Tween Advisory Board. There are many regular library users and program attendees in this age group currently, and we are looking for ways to meet their needs by tailoring services to them.

#### **1.3.2 Create a robust feedback system to allow data from multiple sources to be analyzed and shared with the staff and community.**

**Teen** Services Librarian Olivia Pennebaker and Youth Services Assistant Karina Gluys used feedback received on the Teen Passive Programming Survey to allocate funds toward games, puzzles, and art supplies for the Teen Room.

**A** combination of analysis of attendance numbers, anecdotal data, and patron feedback to adjustments in registration and session format have lead to some changes in storytimes for Spring. There will be additional outside performers, independent movement-based sessions, and one of the Family Storytimes is switching to Baby/Toddler format.

# Extraordinary Experiences

*We provide exceptional services that lead to delightful and meaningful interactions.*

### Goal 1: Position the library in unexpected ways in the community.

#### Activities:

- 2.1.1 **For outreach to under served populations, prioritize access to regular remote circulation of materials and personal connections with Library staff.**

**Library** staff focused on Family Literacy Nights and promotion of PASS Cards this quarter.

- 2.1.2 **Prioritize offsite outreach opportunities that target those who have barriers to in-building services.**

**Youth** Staff Kristy Zeluff prioritized Head Start and Great Start Readiness preschool classrooms this quarter.

### Goal 2: Equip staff to provide caring, responsive service to support the information and life-stage needs of community members.

#### Activities:

- 2.2.1 **Develop and execute training to educate staff on diversity, equity, inclusion, and accessibility (DEIA) principles, ensuring their effective implementation throughout the organization.**

**All** PDL staff members were required to attend and participate in an Eliminating Racism and Creating/Celebrating Equity workshop in 2023. The workshop focused on systemic racism. Also, a representative from the Disability Network Southwest Michigan came to present disability language etiquette at the library's 2023 Staff Development Day.

- 2.2.2 **Conduct staff trainings to enhance their skills in providing empathetic support and social emotional assistance to patrons.**

**UPDATE:** There is no update at this time.

### Goal 3: Celebrate and strengthen the community's social fabric by incorporating relationship building opportunities in library programs and throughout the building.

#### Activities:

- 2.3.1 **Host more programs that foster interaction and community.**

**UPDATE:** There is no update at this time.

- 2.3.2 **Investigate framework that helps people share differing viewpoints in a safe space.**

**UPDATE:** There is no update at this time.

# Investing in the Future

*We help the community evolve and grow.*

**Goal 1: Maintain high-quality staff by investing in hiring, orientation, and retention practices that are equitable and inclusive.**

**Activities:**

**3.1.1 Review staff wages and adjust based on the results of the compensation study.**

**Staff** wages were reviewed at the end of 2023 and adjusted to align with the compensation study plan that was created by ElementOne.

**3.1.2 Create a standardized orientation and cross training.**

**UPDATE:** There is no update at this time.

**3.1.3 Implement robust internal communication procedures.**

**UPDATE:** There is no update at this time.

**3.1.4 Create a performance evaluation system that encourages open communication and clear expectations.**

**We** are currently working on reviewing and revising staff job descriptions and will create a performance evaluation system that ties evaluations directly to staff job descriptions and expectations.

**Goal 2: Provide technology access and learning opportunities for community members so they are confident navigating an evolving digital world.**

**Activities:**
